I played Monopoly with Nature Ned and had an interesting time. First, Nature Ned takes Monopoly really seriously. So, when he was bankrupt, he said that the government stepped in and gave him a ten thousand dollar bailout and the Board of Directors gave him a couple of railroads. Then something tragic happened.

Here is the conversation:

NATURE NED: DR. WARREN FUZZY, I'LL TRADE YOU MARVIN GARDENS FOR NEW YORK AVENUE!

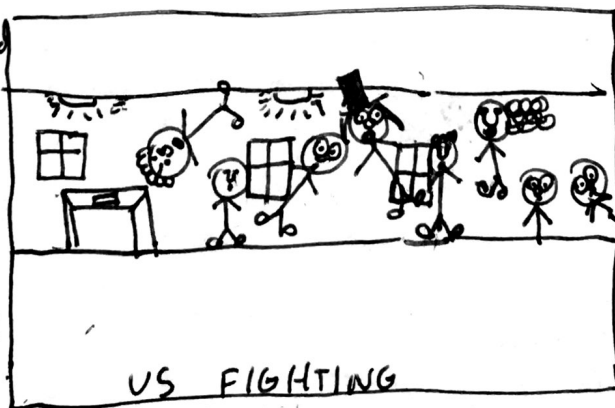

DR. WARREN FUZZY: MARVIN'S GARDENS YOU SAY? I THINK NOT! THE NAME "MARVIN" CONJURES UP TRAUMATIC MEMORIES OF A BULLY NAMED MARVIN WHO USED TO TORTURE ME WHEN I WAS YOUNGER! THE HORRIBLE DAY WHEN HE SMASHED MY "THUNDERCATS" LUNCHBOX AGAINST A WALL IS INDELIBLY SEARED INTO MY BRAIN! HIGH SCHOOL CAN BE NASTY. REMEMBER THAT.

Then a few minutes later, he tried to trade me park place but that led to me thinking of the time I was attacked by rabid squirrels. It also led to another emotionally scarring back story. About half an hour later, I landed in jail and was very angry. I grabbed Piertongue the Dwarf and heaved him across the apartment, then I screamed which somehow allowed everybody to enter the room. "Where have you been?!!" I screamed. "On the roof," said Alfred O'propbear. I wondered how didn't the other 1,579,000 people in the city not notice 60 people standing on a roof. All of a sudden, Maynard Buttswatt said that prappa da Rappa pushed him and they started to brawl. I tried to break it up, but one of the Ba-dink-a-dinks threw me into the brawl. I somehow got sat on by someone and I screamed. Nature Ned was thrown across the room and got the thimble stuck in his pants. Then Maynard got the tophat stuck in his hair. Maynard assumed

I had done all this evil-doing, so he stuck the baby carriage, train, Scottie the dog and the racecar into my shirt.

I somehow got my head shaved by Searick's clip on tie which got

caught in my hair. Searick attempted to shave it out of my hair but he bumped from behind by Oscar Termidgeowitz. Then the landlord showed up and told us that he couldn't hear wheel of Fortune downstairs.
